Introduction

DANS Group is a socially responsible corporate entity with focus on green energy generation through sustainable development. We also stress on environment protection and social welfare. In line with this vision, we carry out various social welfare and environmental activities for the betterment of the local area.

1 SKILLS AUGMENTATION AND CAPACITY BUILDING

DANS Group believes in an integrated and sustainable approach towards development. The local population should be involved in the development process so that they can benefit from the same. They should be trained for skill development and in turn generate employment opportunities. This is imperative for economic development of the area.

1.1 EMPLOYMENT TO LOCALS IN PROJECT RELATED ACTIVITIES

DANS Group has a policy of employing local people as far as possible. As on date more than 95% of the non-technical staff at project sites consists of local population.

1.2 VOCATIONAL TRAINING FOR WOMEN

The project authorities started a training program in December 2011 at both Jorethang and Tashiding. The training program aimed at training the local women in the art of cutting and tailoring so as to make them self-sufficient and thus empower them. The company provided the training facility, teacher and materials required for training. The program got a very positive response and many a local women enrolled for the training.

The vocational training program for women started by DANS helped many local women train in the art of cutting and tailoring.

Goals of the scheme:

- This Training is focused on development of human capacity to obtain the means of livelihood.
- Research has shown that when women increase their income, they tend to spend a greater percentage of it to benefit the family than do men.
- To empower rural and poor women by giving them the skills to earn a livelihood that will increase the well-being of themselves, their families and communities.
- To foster an attitude of independence, initiative, and self-reliance that will overcome attitudes of dependency and helplessness.
- To develop an understanding of the role of fine craftsmanship and business ethics in the success of any venture.
- To enable rural and poor women to increase their status as able generators of economic contributions to their families and communities.

Women who enrolled for Vocational Training at Cutting and Tailoring Institute

To help more women train at the same time, in March 2013 three sets of tailoring machines were provided by the project authorities.

New Tailoring machines provided

1.3 SELF-EMPLOYMENT SCHEME

DANS Group under the self-employment scheme, provided local youths of Chisopani with a chance to start a poultry farm of their own. The Company has provided the youths with the financial assistance to construct a shed and start a farm. The company also provided financial assistance to Mr. Ritesh Darnal & group, who are unemployed youths from the affected families to start their own business.

Assistance provided for making Poultry farm

1.4 FINANCIAL ASSISTANCE TO FOR VOCATIONAL TRAINING

DANS Group provided Mr. Ravi Thapa, a permanent resident Majhitar, with a financial assistance to go for the training at Blind Relief Association, Delhi, where he will be given vocational trainings in different fields by the experts to make him self-reliant. Mr. Ravi Thapa belonged to a very poor family. But somehow he got the chance to study at Namchi Blind School. After passing out of the school, He always wanted to go for the training but because of his financial stand, it was like a dream for him. But now with the help of DANS Group he got the chance to study and get training at BRA Delhi.

Mr. Dawa Bhutia, President Industrial Belt Development Committee (IBDC) through whom the cash was handed over to Ravi, thanked the company for the help and appreciated the company's social activities.

1.5 FINANCIAL ASSISTANCE TO ACCIDENT VICTIM

47 year old Mani Kumar Gadaily met with an accident on 14th May 2007. He recalls that there was a heavy rainfall on the day before his accident. He is a truck driver by profession and was driving his truck on Geyzing Dentam Road. At around 7 AM, due to the sudden slide in the road, his truck fell nearly two hundred meters down the cliff. When he regained his consciousness, he was lying in Central Referral Hospital (Manipal Hospital). His right side of the body was totally damaged, from his right eye to his hips and thighs which were crushed and his right hand was broken. However, his life was miraculously saved. He was operated and his bones were given support by the steel rods. He spent all his savings he had was spent to save his life. Now he lives in a one room rented house with his family of four. Doctors had advised him to re operate and take out the iron rods from his hips and thigh long time back but because of the financial problem he had not been able to do so. Doctors say that he can walk after the operation and he also believes that he can work after the operation and live a normal life like he used to six years back.

DANS Group took the initiative to help Mr. Gadaily by providing financial assistance for the operation.

1.6 FACILITIES FOR STUDENTS

a) DANS INSTITUTE OF COMPUTER AND INTERNET EDUCATION

On 15th August 2010, DANS Group opened a free Computer and Internet Learning Centre for all the students of Jorethang and Naya Bazaar at Saraswati Sishu Vidhyalaya, Naya Bazaar, West Sikkim. The centre was inaugurated by the Hon'ble Area MLA, Shri Madan Cintury on the occasion of 64th Independence day. The company installed six computers with latest

configuration and a broadband connection. All the logistic expenses including the maintenance of the centre and the salary of the instructor was borne by company.

In Feb 2011, DANS computer and internet learning centre conducted a valedictory programme at its centre for its first and second batch students passing out of the institute. Mr. Madan Cintury, Area MLA, attended the programme as a chief guest, and in his speech, he congratulated all the students and DANS family for having such a unique perspective towards the welfare of the society. On the same occasion, Saraswati Sishu Vidhyalaya also felicitated DANS Group for its contribution the field of social welfare.

The institute since its opening on 15th Aug 2010 had been providing computer education to more than 160 students of Jorethang and nearby areas of which 62 students where provided with certificates and prizes.

b) GOVERNMENT SENIOR SECONDARY SCHOOL (CHISOPANI, SOUTH SIKKIM)

d) SEMINAR ON VALUE BASED EDUCATION

DANS Group organized a seminar on 'Value-based education' on 25 Feb 2011 at St. Francis School auditorium, Jorethang, South Sikkim. The seminar was presided by a renowned IPS

officer, Mr. Akshay Sachdeva and addressed by a well-known psychiatrist, Mr. C.L. Pradhan. Students of Jorethang Sr. Secondary School and St. Francis School also attended the seminar. The speakers at the seminar expressed serious concern over the loosing self-esteem and the alarming rise in drug abuse, especially among the youth, and called for launching a crusade against the menace, which is posing a serious threat to the social system.

Mr. Sachdeva expressed that he has been greatly impressed by the various activities being undertaken by the DANS Group. Dr. C.L. Pradhan, in his keynote addresses on 'value-based education', said, "The value-based education is the need of the hour." Defining the term value, he said, "'the term 'Value' is intangible. To me, value means good morals and good character. Unfortunately, our value system is crumbling today. Intolerance is rampant. We hardly give any thought to the building of character. It's important that value-based education be introduced in all education institutions." Discipline is one of the foremost components that shape our life while Education and literacy are different terms. The worldly education makes people literate, but value-based education makes people good human creating a better society to live in, he added.

The programme came to an end with a vote of thanks by DANS Official.

e) WINTER MULTI-CAMP

SEPL has been supporting the winter Multi-disciplinary Camp by providing LPG Gas cylinder, Water Pump and supplying water through company tanker for the student participating in this Camp. The winter Multi-disciplinary Camp was organized by the Local NGO Heavenly Path Organization, Sakyong. The winter Multi-disciplinary camp is held with an objective to help the participants improve their skill in fields of sports, Culture and studies for overall development of the individuals.

f) SEMINAR ON VALUE BASED EDUCATION AND ETHICS IN STUDENT LIFE

DANS Group on 7th May 2011 organized a seminar on value based education and ethics in student's life. Seminar was attended by the school students in and around Jorethang along with their teachers. The lecture was delivered by renowned IPS officer Mr.Akshay Sachdeva IGP (Sikkim Armed police force). The programme started with welcome speech given by President, DANS Group. After the welcome speech, Mr. A. Sachdeva distributed the prize money to the school students (who stood 1st, 2nd & 3rd in their respective classes) as announced by DANS Group on 5th of June 2010 and also to those three brave guards who helped to extinguish forest fire at Melli Jorethang road.

Soon after the prize distribution Mr.Sachdeva started his lecture along with stage act, he said future of our state or our country is totally dependent upon our students. Quality of education they get will define the future of the country.

Programme came to an end with the vote of thanks given by DANS Official.

g) GURU QUIZ 2012

DANS Group, as a part of its educational CSR initiatives, took the idea of presenting Guru Quiz 2012 on 17th November 2012 at Gangtok with a strong belief that in order to make education inclusive; teachers also should be provided an exposure to positive competition. Guru Quiz 2012 was one such initiative to involve teachers directly in the process of active learning and fun.

Guru Quiz 2012 started with a mission. The mission to thank teachers for their contribution in helping create the future of the state, the mission to inspire teachers to continue their quest for learning and the mission to bring them to a platform where they could positively compete with each other through a platform of quizzing.

The Chief Guest of Guru Quiz was Mr. Anil Raj Rai, Commissioner, Gangtok Municipal Corporation, one of the bright minds of the state. The Guest of Honour was Mr Sony Viridi, the dynamic Chairman of Mt. Zion School, Gangtok who is an ardent supporter of educational initiatives and passionate about encouraging teachers to refine and polish their skills.

The idea of Guru Quiz was finalized by DANS Group and the schools; execution was left to the organizers QYOU!, the quizzing vertical of '24hours Inspired'. The response from the Schools was superb. Guru Quiz 2012 just a day after Diwali, i.e. 17th Nov, 2012 was welcomed with all excitement by the schools. 10 schools from South and West Sikkim participated with some schools as far as Yuksom coming in to positively engage in this first of its kind event in Sikkim. There was a lot of enthusiasm among the students and the guests to cheer and support the participant teachers. The teachers competed with all enthusiasm and excitement and even after a marathon of a quizzing competition of 8 hours, the teachers and the audience was at their excited best.

The winner of the competition was Temi Senior Secondary School, Jorethang Senior Secondary School and Naya Bazaar Secondary School. The winner received a cash prize of Rs.15,000, Rs.10,000 and Rs.5,000 respectively, sponsored by DANS Group.

2 ENVIRONMENT RELATED ACTIVITIES

DANS Group believes in the concept of sustainable development. Development should not be carried out at the cost of environment. It is our moral obligation to protect our environment for the sake of our future generations. Thus we carry out various activities in the vicinity of project area for environment management.

2.1 DUMPING AREA

Most of the excavated materials dug out or excavated from various project components are piled at designated muck dumping yards. These dumping areas are located on the riverine deposits in the form of terraces. To provide stability to these dumping yards, they have been surrounded by retaining walls in the form of crate walls, RRM walls etc. Also plantation is carried out near these dumping areas.

2.2 AWARENESS PROGRAM ON SOLID WASTE MANAGEMENT

A programme on solid waste management was organized by DANS Group on 20th June 2010 at Jorethang playground, Jorethang South Sikkim. The chief guest for the occasion was the area MLA, Shri Madan Cintury. The programme was also attended by BDO, Jorethang Block, Joint Secretary UD & HD Department, Jorethang, members of Nagar Panchayats and the local

public. The proceedings of the meeting were carried out by Mr. Ganesh Adhikari, Nagar Panchayat member, attended by the public of Majhigoan,(ward No 5 & 4).

The program aimed at developing social awareness regarding the necessity to keep the environment clean. The company provided 5 (five) nos. of large garbage bins each of 1000l which were placed at different locations of the town under the supervision of UD & HD Dept. Jorethang. Similarly the company provided 20 nos. garden bins, each of 60l fitted in and around the town and many more were distributed to the local population.

2.3 CLEANLINESS DRIVE

Cleanliness drives were carried out on 18th June 2014 at Rabong Bazar & on 23rd June 2014 at Kewzing bazar. Among the participants were SDM Rabong, ADC, S.D.P.O, S.H.O, Forest Officials, panchayats & local people. DANS Energy Pvt. Ltd. participated in the drive and

provided vehicles to assist people in the cleanliness drive. Refreshments were also provided to the participants.

2.4 RIVER TRAINING WORKS

River training works in the form of protective walls have been constructed on the River Rangit where necessary. This is done mainly to prevent change of path of river and excessive soil erosion at the time of monsoon. The protective walls are repaired after monsoon season.

2.5 LANDSLIDE AND SOIL EROSION MITIGATION

DANS Group actively conducts plantation works at the project site to check the landslide and soil erosion. The company has planted sand binder plants like Napier, Broom grass and Bamboos, which check soil erosion and prevent landslides. DEPL has also planted fruiting plant on Melli-Jorethang highway. Some of the other plants which have been planted are Ashoka, Silver Oak, Boganbelli and Teak. Belly benching works were done at land slide prone areas around the project site.

Quite frequently the DANS Rescue team carries out plantation drives which carry on for days in a row and thousands of trees are planted. Making of tree guards was also done to protect tree saplings.

Saplings Plantation Drive

2.6 DISTRIBUTION OF LPG

Commercial LPG cylinders are distributed to contractors for cooking and are used in the company mess at project site in order to avoid the use of fuel wood for cooking purposes. DANS has also provided many schools of the area with LPG and cooking infrastructure for their mid-day meal program.

LPG Storage at Site

2.7 ENVIRONMENT DAY CELEBRATIONS

In an effort to spread awareness and educate people regarding the importance to conserve environment, DANS Group on the occasion of each Environment Day conducts social awareness campaigns, plantation drives, cleanliness drives etc. near all its project sites with the support of local authorities and people. Such campaigns are organised every year.

2.8 MAINTENANCE OF PARKS

DANS Group has been maintaining two parks here at Jorethang Bazaar, Namely Bhanu park and Gandhi Park. Bhanu Park is named after a great Nepali scholar Bhanubhakta, it is situated near Jorethang football ground and the Gandhi park is situated at Melli road. These two parks are the main parks of the town. The company has also illuminated the parks with different light and this has added to the cleanness and beatifications of the bazaar.

2.9 FOREST FIRE FIGHTING CAMP

DANS Group as part of its Disaster Management Programme initiated a Forest Fire-fighting Camp on the Jorethang-Melli Road. The Camp was started on 1st March, 2013. Four trained security personnel have been deputed to handle any kind of emergencies.

The camp continued in the month of April 2013 in coordination with Forest Environment and Wildlife Management Department.

DANS Group in a bid to prevent the spread of dengue fever, participated in the cleanliness drive organized at Jorethang and Melli Bazar Area. This event was attended by Nagar Panchayat officials, Member of Legislative Assembly of the area, Sub-Divisional Magistrate of Jorethang and the local population. Thirty volunteers from DANS Energy Pvt. Ltd carried out the cleanliness activities as a part of the drive and thus helped in making the event a success.

4 SUPPORTING LOCAL INSTITUTIONS/ADMINISTRATION

It is our belief that in order to bring about local area development and maximize the effect of our CSR activities, we need to work hand in hand with the local administration and institutions. Environment protection activities for example will have superlative impact if carried out in coordination with the local forest department. Grants are provided to local schools so as to develop basic infrastructure and help them provide better amenities to the students. We shall also indulge in organising and funding such activities that promote sports culture in the society.

It shall be our duty to lend support to local authorities and population in times of calamities.

4.1 EARTHQUAKE RELIEF WORKS

In the aftermath of 2011 earthquake, DANS group actively participated to clear the roads towards Namchi, Melli and towards West Sikkim as these were the ones mostly damaged and the most important for the relief supplies to come to Jorethang and other parts of west Sikkim. DANS Energy in co-ordination Sikkim Public works Dept. worked on war footing for three days to clear the roads and meanwhile Engineers and Electricians of DANS Group also helped the State Government Department to restore the electricity.

But even after the restoration of electricity there was a major water problem as all the water supply system at Jorethang town was totally washed away/damaged by the landslides. DANS Energy, Fire Dept. and local associations provided water to the people with tankers and all other possible means. We also helped the people by providing free charging points for the stranded people so that they could call their families and relatives. Utensils were distributed to earthquake affected schools.
